

ARTICULATION AGREEMENT
between
LUZERNE COUNTY COMMUNITY COLLEGE
and
TEMPLE UNIVERSITY of the Commonwealth System of Higher Education
for
FOX SCHOOL OF BUSINESS AND MANAGEMENT

Luzerne County Community College (Luzerne) and Temple University (Temple) enter into this agreement in order to facilitate the transfer of students who have earned the Associate of Science (A.S.) Degree in Business Administration at Luzerne, into the Bachelors of Business Administration program of the Fox School of Business and Management at Temple University.

Once students transfer to Temple University they shall be able to complete Bachelors of Business Administration within four regular semesters of full-time enrollment, assuming that no remedial or repeated courses are needed and all applicable Temple grade and other requirements are met to the satisfaction of Temple. Specialized programs, including Actuarial Science, Entrepreneurship, and Management Information Systems, may require more than four regular semesters to complete.

Students who complete the Luzerne County Community College curriculum specified in the "required course equivalencies" section (page 4) of this agreement are guaranteed the transfer credit for courses indicated in that section. Courses not listed there, but brought into Temple in transfer by a student covered by this agreement, will be granted credit according to standard Temple-Luzerne equivalencies.

This agreement does not change the regular Temple policy that grants transfer credit to courses taken elsewhere only if they were completed with a grade of C- or higher.

Students who transfer under the terms of this agreement are responsible for meeting requirements in their major field of study, and any other curricular requirements applying to all Temple students, that were in effect at Temple at the time of their admittance to Temple. These students will abide by the policies and procedures, and any revisions thereof that apply to all Temple students.

This agreement does not cover students who transfer from Luzerne to Temple without an A.S. Degree in Business Administration.

TERMS AND CONDITIONS OF ADMISSION TO TEMPLE

1. Students entering Temple under the terms of this agreement must meet all regular Temple admissions requirements and all applicable Temple requirements and deadlines pertaining to application for admission and payment of tuition and fees.
2. Evaluation of transfer credits is based on a student's major, and the student's Temple school/college makes the final determination of which transfer credits are applicable to the student's degree program. Transfer evaluations may change for students who change majors. Whenever possible, credit is allowed for courses completed more than 10 years before the date of admission.
3. Because the Luzerne A.S. Degree in Business Administration covered by this program-to-program articulation agreement is also approved for GenEd-to-GenEd Transfer to Temple, students under this program agreement satisfy Temple General Education (GenEd) requirements according to the terms of the Luzerne Community College - Temple GenEd-to-GenEd Transfer agreement. Their GenEd requirements are met by receipt of the Luzerne A.S. degree. Developmental courses and courses for which a grade below C- was received do not transfer to Temple, but having taken such courses or received such grades does not affect an otherwise eligible student's GenEd-to-GenEd Transfer status.

JOINT RESPONSIBILITIES FOR MAINTENANCE OF THIS AGREEMENT

Luzerne County Community College will maintain and distribute information about the current form of this agreement, and any changes relevant to it, to students, counselors, faculty, and advisers.

Temple University's Fox School of Business and Management will keep appropriate Temple offices and staff (including the Office of the Senior Vice Provost for Undergraduate Studies and Undergraduate Admissions) informed of this agreement, and any modifications thereto, and will be responsible for distributing information concerning any changes.

Both institutions will encourage Luzerne County Community College students to meet with representatives of Temple University to discuss issues related to admissions and financial aid well in advance of their expected date of entry.

Faculty from each institution teaching in the curriculum for which this agreement has been developed will be encouraged to meet as needed to discuss issues of curriculum and student development.

Temple University and Luzerne County Community College will collaborate when possible on research activities that will help assess the effectiveness of this transfer program in meeting the needs of students transferring from Luzerne County Community College to Temple University.

REVISION, RENEWAL AND TERMINATION OF THIS AGREEMENT

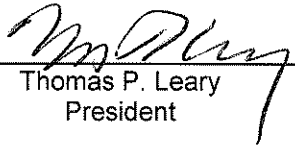

The Dean's Office of Temple's Fox School of Business and Management, and the Transfer Office at Luzerne County Community College, are responsible for identifying, and communicating to each other, changes in their respective courses, requirements, or policies that affect this agreement.

This agreement will be in effect as of the Fall 2013 Semester, and will be reviewed annually by the Dean's Office of Temple's Fox School of Business and Management, and the Transfer Office at Luzerne County Community College, and will automatically be renewed until superseded by a new agreement or formally terminated. Revisions in the course equivalency lists may be made with the verbal consent of the representatives of the two schools; major revisions to this agreement require their signatures on a letter of agreement or a revised version of the agreement. All revisions, however, require that documentation is sent and approved by the Office of the Senior Vice Provost for Undergraduate Studies at Temple University to ensure that updates are made to the appropriate systems in order to effectively implement this agreement. Either institution may terminate this agreement at any time by written notice at least one year in advance of the effective date of termination. Should this agreement be terminated, it is understood that the termination will not apply to students already accepted to Temple University under the terms of this agreement, but not yet enrolled in classes at Temple.

Luzerne County Community College and Temple University understand that they shall act in an independent capacity in the performance of this agreement, and shall not be considered as employees, agents, affiliates, or subsidiaries of each other. Neither Temple nor Luzerne County Community College have the right to bind or obligate one another in any manner inconsistent with or unrelated to this agreement. This agreement is governed by the laws of the Commonwealth of Pennsylvania.

The willingness of both institutions to enter this agreement in order to facilitate the transfer of students from Luzerne County Community College to Temple University and to expand their opportunities for academic success at Temple is indicated by the following signatures.

DARS EXCEPTIONS TO BE ENTERED BY TEMPLE ACADEMIC ADVISOR

Undergraduate students and their advisors use the Degree Audit Reporting System to plan and track a student's academic career at Temple. DARS works in concert with our Banner Student information system to show how a student's course work to date, including transferred courses, will fulfill the academic requirements necessary to complete a degree in the major field of study

For the DARS exceptions to be processed, students should bring a copy of the articulation agreement and a copy of their final Luzerne County Community College transcript to their first advising appointment with their Temple Academic Advisor. The final transcript must show the degree awarded and a conferral date. Official copy of the final transcript must be sent to the Temple Admissions Office.
